Miami Alumni Connect

OH Eta has its very own group on the new Miami Alumni Connect platform. Nearly 60 alumni and undergraduate brothers have already joined the networking and mentorship group and will serve as basis for alumni Leadership

Development Committee mentoring and programming. The site seeks to help undergraduate brothers find mentors and post-college opportunities while engaging alumni with the Miami community. Join our group if you are considering short or long-term

mentoring, interaction with other OH Eta alumni or posting/browsing jobs in the Miami alumni community.

Since inception in December 2016, the "Doc" Gordon Leadership Development Endowment has received \$48,277 in gifts and pledges. Our three-year goal is to raise \$100,000, providing \$4,000 annually to worthy endeavors supporting our SigEp values and undergrad brothers.

Funds from the endowment for 2018 have been allocated to sending additional OH Eta brothers to the Carlson Leadership Academy and Ruck Leadership Institute and hosting an LDC meeting in Oxford this spring!
