

## Dr. Stephen Large named chapter counselor

During last fall semester, undergraduate chapter brothers welcomed Dr. Stephen Large as OH Eta's new

chapter counselor. Steve joined Miami in 2018 as assistant vice president of health and wellness for student life. In this role, he's responsible for oversight and direction of Miami's student health services, student wellness and counseling services.

Steve is a Cincinnati native and attended St. Xavier High School, subsequently earning his undergraduate degree from John Carroll University, where he was a brother in Sigma Phi Epsilon - OH Upsilon. He earned his doctorate in

clinical psychology from Wright State University and worked at University of Dayton and Gannon University prior to landing in Oxford.

Steve hopes his time at Miami will be long-lasting, citing his work with bright, passionate and engaged students as well as the history, aesthetics and reputation of Miami as unmatched elsewhere. As SigEp's chapter counselor, Steve has regular presence with the chapter and executive board and is familiar with the needs of today's undergraduates to provide objective advice, support and continuity ensuring long-term chapter success.

"I am grateful and absolutely thrilled to serve as OH Eta's chapter counselor," Steve said. "I'm impressed with the

# Endowment reaches new milestone

'Doc' Gordon Fund surpasses \$100,000 in gifts, pledges

In two years, OH Eta alumni have supported the "Doc" Gordon Leadership Development Endowment with more than \$100,000 in gifts and pledges – including our first deferred bequest officially included in an alumnus' estate planning.

As we look to the future, there's a new opportunity to give back as Miami recently introduced Honoring Fraternity: Focusing on the Future. Part of this initiative requires a live-in adviser for all fraternity houses, which we'd like to be filled each year by a Miami graduate school student and SigEp resident scholar.

We're looking for any alumni interested in endowing a scholarship for a Miami graduate student who would be selected to live in our SigEp fraternity house. This first-of-its-kind transformational gift would likely be set up through the Miami University Foundation, supporting both Miami's graduate school programs and OH Eta! For more information, please contact OH Eta alumni president Joe Hornsby at hornsbyjm@gmail.com.
